

Type I Mimic

Creature – Medium Monstrosity

False Positive: The Type I mimic behaves like a Statistically Significant result unless your opponent spends sufficient resources to attempt a Replication.

$\alpha < 0.005$: If your opponent takes any action that reduces the alpha level, you can convert the Type I Mimic into a Type II Mimic at no cost.

"It sits disguised as discovery, waiting for the unwary to celebrate." – Field Notes of Magus Neyman
